Office Partition System • Office Executive Cabins • Storage • Hostel
Institutional Furniture • Chairs • Metal Furniture

An ISO Certified Company

Company Profile

Vishal Furniture incorporated in **1993** in Noida, is a family owned closely held company, diversified in these years and is now a group of four companies (**Vishal furniture, Vishal Enterprises, Vishal Craft and Interiors, Vikas Enterprises**) having its interest in Manufacturing, Marketing and Trading of different official, Domestic and Institutional Furniture.

We have a display area of 25000 sq. ft. located in the center of the City (Atta market, sector-27, Noida, opposite Sector-18).

We are authorised dealers of many reputed companies like **Godrej, Nilkamal, Allwyn, Triveni, Bathla Laders, Natasha, Metalex** and many more.

The domestic sales have been to the institutions based on B2B channels. Major customers have been Hospitality, Industries, Health Care, Business Process Outsourcing, Knowledge based Industries, Informational Technology, Infrastructure, Amusement Parks, etc.

The growth in India's economy and organization of retail and corporate sector has initiated a paradigm shift for **Vishal Furniture** to focus on domestic markets. In its endeavor, **Vishal Furniture** is pleased to introduce different new range of products to suit the customers ever growing need.

At **Vishal Furniture** understanding customer, identifying needs, developing and marketing product is a priority.

"**Vishal Furniture** is committed towards providing branded delivered value in terms of price, quality, and are safe for their intended use. it is a conscious effort to ensure total customer satisfaction.

The Knowledge and professionalism is our unparalleled inheritance. Our belief in self and progressive business model shall enable us to consistently deliver value to our customers.

Interactive White Board : Interactive White Board is a tool which enables you to control all the functions of the PC from the Board itself. Whether it is clicking of Mouse, controlling of Power point Presentation, Typing, Annotating and above all it gives you the freedom to use the PC as a normal writing tool like you write on a normal white board. The best part is that all the data is saved on the PC and for your future references. Recommended for Meeting, Presentations and Educational Purpose.

Interactive White Board : Interactive White Board is a tool which enables you to control all the functions of the PC from the Board itself. Whether it is clicking of Mouse, controlling of Power point Presentation, Typing, Annotating and above all it gives you the freedom to use the PC as a normal writing tool like you write on a normal white board. The best part is that all the data is saved on the PC and for your future references. Recommended for Meeting, Presentations and Educational Purpose.

Visualizer : Digital Professional Presenters (Visualizers) is one device which connects to a projection system and can be used to display Transparencies, Documents, Books, Maps, Negatives as Positives, 3D Objects, Output from a Microscope, etc. on a large screen for large audience size. The Optical Zoom facility gives one a facility to display even the minute details of the object to a larger audience on a huge screen. The system also acts as a scanner to import images to the PC besides having an Internal as well as External Memory of its own depending

Video Conferencing : AVer video conferencing can be summed up in one simple phrase... more for your money! Effortless video conferencing at an incredibly affordable price is what AVer promises for all of its video conferencing solutions and that is exactly what users have come to expect. All AVer VC systems use the H.323 and SIP protocols so users can rest assured that their AVer VC system is compatible with all major VC brands. With a number of one-of-a-kind features, industry leading warranty periods and smooth HD imaging, AVer turns the dream of high-quality, budget friendly video conferencing into reality for small to medium-sized businesses, universities and many more.

Projection Screen & Accessories : Strake Projection Screen as we are manufacturer, supplier and exporter of high quality projection screens. Since more than two decades, We have expertise in manufacturing as well as supply of various types of projector screen and its accessories e.g. Motorised Screens (Mobile Screen), Tripod Screen, Wall Screens, Ceiling Mount Kit, Map type Screens, Wooden Frame Screens and accessories, Map dispenser Screen, all required Projection Accessories.

Projector: Multimedia Projection System is the basic hardware for Conference Rooms and Smart Class Rooms. We have a full range starting from basic 75 ANSI Lumens and upto 12000 ANSI Lumens with compatibility with basic PC to high end Workstations.
